Corporate PR (Main Products, etc.)	<p>Sun White Solar Co., Ltd. is a company that started its coal industry in Indonesia in the 1980s</p> <ol style="list-style-type: none"> 1. At present, we are a professional trading company in Malaysia, the Philippines, Thailand, Vietnam, Laos and other countries, which are engaged in the import and export of charcoal, barbecue products, etc. 2. In particular, "Taiyotan" has obtained the Eco Mark as a product that considers the natural environment, and is loved for use in restaurants and homes 3. We think about harmony with nature through our charcoal making business, and our brand "solar charcoal" has obtained the Eco Mark 4. In addition, in the process of making charcoal, we aim to circulate energy by effectively utilizing the gas generated for power generation and heating 5. In May 2019, we were certified as a registered support organization. This is a system established by the government to allow foreign workers to be accepted into simple labor for the first time, and to improve and facilitate their working conditions 6. We aim to contribute to international exchange and multicultural coexistence by accepting foreigners, as well as to lead to human resource development and business expansion
